- Surveys

The image shows a survey form titled "UK IPv6 Council Annual Meeting 2017: Event Attendee Survey". The form includes the IPv6 UK Council logo and a disclaimer: "We would welcome responses to this short informal survey. All information collected is purely for internal use by the UK IPv6 Council and will not be shared with 3rd parties." The form contains several text input fields for the following questions:

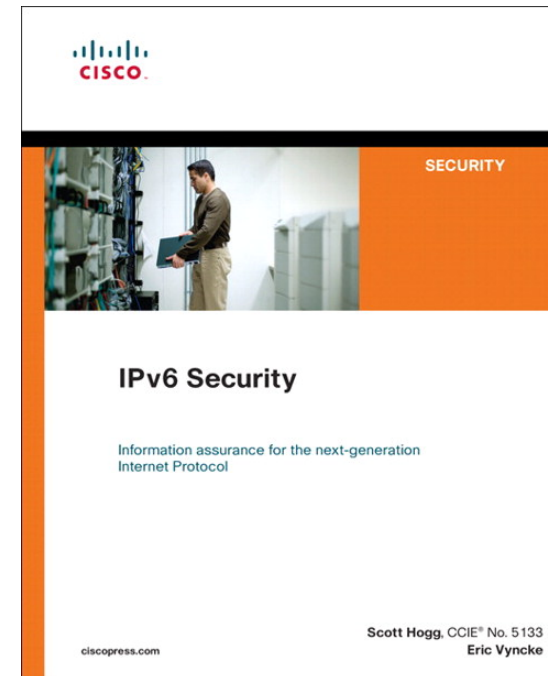

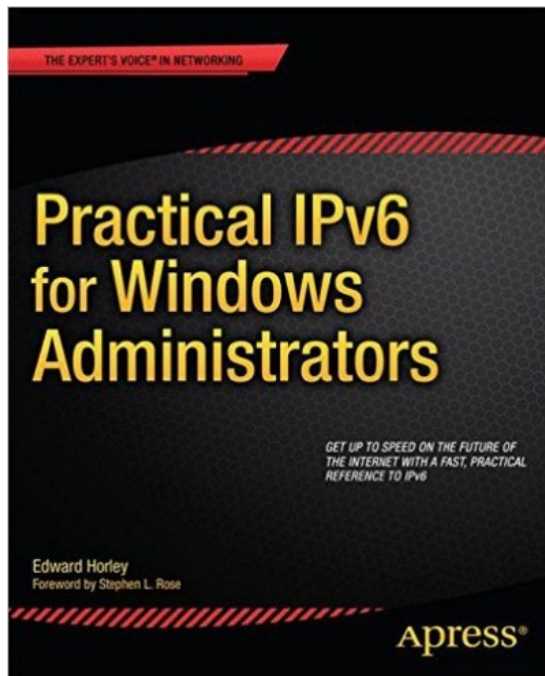

- Name: _____ Organisation: _____
- Email address: _____
- May we contact you to discuss your response further? Y / N
- What is your main interest in attending today? _____
- What is your organisation's position with respect to IPv6 support / deployment? _____
- What particular benefits / advantages that you believe IPv6 will bring? _____
- Are there any specific concerns or challenges you face in supporting / deploying IPv6? _____
- Do you have any feedback from today to help us improve future events? _____
- Do you have suggestions for other IPv6-oriented events the Council could organise? _____
